

Hand Sanitizer Gel

GENERAL DESCRIPTION

Solugen Hand Sanitizer Gel is a high-performing and effective gel-based hand sanitizer. Solugen uses a specialized formulation along with a novel manufacturing method to develop a unique product that is efficient and active.

APPLICATION

Solugen Hand Sanitizer Gel is a highly effective alternative to hand washing when traditional soap and water are not readily accessible.

BENEFITS

- + Various fragrances
- + Gel formulation creates less "drips"
- + USP spec raw materials
- + FDA registered
- + Highly effective
- + Made in Texas

USAGE

A quantity of 1.5 ml is all that is required to effectively reduce harmful disease-causing agents from hands or skin.

REGULATIONS

UN 1993
